

Episode 195 – Local Flora in Our Witchcraft

We wander out into our respective yards to look at a number of the local plants that influence (and end up in) our magical practices!

**Summary:**

We wander out into our respective yards to look at a number of the local plants that influence (and end up in) our magical practices!

Please check out [our Patreon page](#)! You can help support the show for as little as a dollar a month, and get some awesome rewards at the same time. Even if you can't give, spread the word and let others know, and maybe we can make New World Witchery even better than it is now.

Producer for this show:

[AthenaBeth](#), who makes delightfully witchy YouTube videos on topics ranging from practicing as a witchy parent to making witchy shopping trips to the craft store. Big thanks to everyone supporting us!
